/github.com/LoKiiZoshi

To secure a challenging position as a Backend Developer where I can effectively contribute my skills in Python, Django, and API development to drive organizational growth and continuous learning.

## PROFESSIONAL EXPERIENCE

### Backend Developer (Python/Django), Echo Innovators Pvt. Ltd.

04/2024 – Present

Kathmandu, Nepal

Key Responsibilities & Achievements:

- Developed and maintained scalable backend systems using Django, Django REST Framework (DRF), and FastAPI.
- Designed and implemented multi-tenant SaaS architecture for restaurant management and CRM systems.
- Created and deployed RESTful APIs for web and mobile applications.
- Integrated payment gateways (eSewa, Khalti) and optimized database indexing for performance.
- Worked on Redis + Celery for asynchronous tasks (notifications, email sending).
- Collaborated with frontend teams to build responsive, real-time dashboards.
- Worked with PostgreSQL, MySQL, and session-based cart systems.

Major Python/Django Projects:

- QR Restaurant Management System - Multi-tenant SaaS-based system for managing restaurant menus, orders, and QR-table scanning.
- NGO Website & Donation Portal Django-based NGO website with donor management and payment integration.
- CRM Application Customer Relationship Management tool for internal company workflow and lead tracking.
- Agriculture E-commerce Platform - Marketplace connecting farmers and buyers with integrated product inventory and analytics.
- Cake Ordering Website - Online cake ordering system with product filtering, cart, and online payment.
- Basic Chatbot System - Django + FastAPI chatbot for FAQs and automated responses.
- Email Automation Tool - Fetch and display inbox data dynamically using IMAP integration.

Technologies Used:

- Backend: Python, Django, Django REST Framework, FastAPI
- Databases: PostgreSQL, MySQL
- Caching & Async: Redis, Celery
- APIs & Integration: RESTful APIs, Facebook Graph API, eSewa, Gmail SMTP
- Tools: Git, GitHub, VS Code, Postman
- Frontend (Basic): HTML, CSS, JS, Bootstrap

## EDUCATIONAL QUALIFICATIONS

+2, Shree Durgalaxmi Model Secondary School, Attariya, Kailali
